  Azerbaijan State Economic University, Business and Data Analytics _ MBA;

- ### Bachelor / 2014-2018

  Azerbaijan State Oil and Industry University, Geological engineering _ SABAH groups;

WORK EXPERIENCE:

- **PRODATA**
  - **Data Analyst - (Nov/2022 - ...)**

    Currently as Data Team we are working with different companies, different projects.

- **Universal Group of Companies**
  - **Data Analyst - (Jul/2022 - Nov/2022)**
  - **Junior Data Analyst - (Dec/2021 - Jul/2022)**

    In a company operating in the supply chain sector, we monitor the flow of information in the ERP system, perform various analyzes using data collected in the database, prepare, visualize and present reports.

- **Global AI Hub**
  - **Core Member - (May/2022 - Nov/2022)**

    Global AI Hub is a non-profit organization that trains 10 million people around the world in data science, artificial intelligence, machine learning and other digital technologies. I actively participate in the organization of trainings and bootcamps here.

- **IBP**
  - **Junior Frontend Developer - (Sep/2021 - Dec/2021)**

    We worked as a team on the project of the Ministry of Education and successfully delivered the project.

- **Bonpini**
  - **Moderator - (Oct/2020 - Feb/2021)**

    I gained a great experience in a short time in a start-up company operating in the real estate sector.
